Fold-a-Side Doors

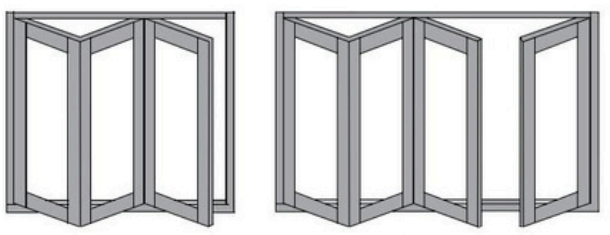

FOLD-A-SIDE DOOR RANGE

When opened, these doors create the maximum possible opening you can get. It's the perfect way to extend your kitchen, sun room, lounge or bedroom. The doors are divided into sections, with choices ranging from a three-panelled door to a much wider six-panelled door.

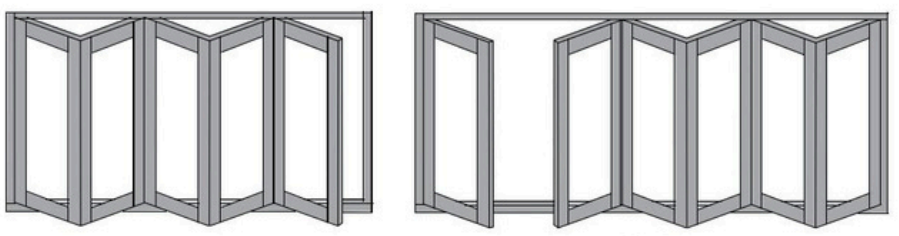

S As of the 1st March 2022, all Fold-A-Side doors will be supplied with 4mm toughened safety glass.

- When ordering please specify whether the door must stack to the left or right when viewed from the outside.
- All doors open outwards.
- It is not necessary to open the entire span for access. The first leaf functions as a single (traffic) door and opens independently.
